### GJT04 Rapido Trolley

Carries up to ten Rapido knock down round tables, with cut outs for table uprights, and pole to stack bases.  
Tubular steel frame has neoprene foam padding to protect the tables. Plywood base, back and box for tabletops.  
2 x 4" braked and swivel castors, 2 x 4" castors.  
Dimensions: 147cm x 75cm x 90cm

### GJT09 Rough Terrain Trolley

Ideal for moving floors, tables, staging etc over rough ground and gravel.  
Shaped framework prevents round tables from rolling.  
Removable uprights allow trolleys to be stacked when empty for easy storage and shipping  
Dimensions: 150cm x 76cm x 49cm

**GJT10 Trolley Dolly** - Only one trolley dolly required for all your rough terrain trolleys.

### Grumpy Joe's Custom Trolleys

All Grumpy Joe's floors and staging can be easily stored and transported using our range of custom trolleys.

Trolleys have been specially designed to securely hold our floors and staging to protect them during transit and provide ease of transportation on site. Custom trolleys will fit through a single doorway.
