Grumpy Joe's Metric Stages

Joe's Metre Square Staging is a portable stage system designed for the hotel and rental market. Custom trolleys hold up to nine frames and tops (3m x 3m stage).

The stage uses fold flat, one metre square frames and are 30cm, 45cm or 60cm high.

Frames can be fastened together with aluminium clips to prevent any movement.

The locating bar hooks across the frame adding support and preventing the frame from closing in use.

Frames are powder coated.

Tops are 18mm exterior grade plywood and are finished in matt black.

Tops can be carpeted for an additional charge.

Sets of four stacking pegs are available allowing safe stacking for tiers or for additional height.

Pleated black fireproof Bolton Twill drapes are available with velcro fastenings
Steps simply hook on where required.
